ADOPTABLE RABBIT PROGRAM

We're proud to partner with the Humane Society of Missouri
and the APA of Missouri to foster rescued rabbits.

Visit the websites of our partnering agencies below to view rabbits currently available for adoption. Come see for yourself during Purina Farms regular operating hours and see the remarkable transformations that happen when previously neglected animals recover and receive expert care. Meet and greets are exclusive to serious adopters only.

When you adopt a featured adoptable animal you will receive a \$50 gift card to go towards necessary supplies for that animal's care.
