

PURINA FARMS &
LONGMEADOW RESCUE RANCH

FARM ANIMAL FOSTER PROGRAM

We're proud to partner with Longmeadow Rescue Ranch, a division of the Humane Society of Missouri, to foster rescued horses and farm animals.

Animal visits are by appointment only and exclusive to serious adopters. Appointments can be made over the phone calling the number below. Come see for yourself the remarkable transformations that happen when previously neglected animals recover and receive expert care.

When you adopt a featured adoptable animal you will receive a \$50 gift card to go towards necessary supplies for that animal's care.
