

Your Pet, Our Passion.®

2024 SPONSORSHIP FOR HUMAN-ANIMAL BOND STUDIES APPLICATION FORM

General formatting of the document:

1. Use 1" margins for all pages of the document.
2. Use the same font family and size (12) throughout the entire document.
3. Use a standard font such as Arial, Calibri, Courier New, or Times New Roman.
4. All text, tables, and figures must be inside the margins.
5. Use single-spacing throughout the document.

Applications must be sent in a PDF file (maximum 5 single-sided pages, including references) to well-being@purina.nestle.com and contain the following:

1. Please include the following information on Page 1:
 - a. Degree/title, mailing address, phone number, and email address of the principal investigator
 - b. Name and address of the institution
 - c. A summary of the project
 - d. Total budget requested (in U.S. dollars)
2. Scientific rationale and literature review
3. Methods
4. Deliverables
5. Significance of the project for pet owners
6. If animals are involved, statement guaranteeing their wellbeing during the project and stated assurance that all approvals are obtained by their local ethical/animal

use committee and be fully compliant with local and national animal welfare regulations.

7. Timeline for the project
8. Detailed budget
9. List of other collaborators (if applicable)
10. Signature and date

In addition to the application, please include a short CV (max 2 single-sided pages) for the principal investigator only, and a letter of support from the institution where the project will be executed. Additional material will not be reviewed.
