FEEDING ADULT DOGS

The indicated amounts fed once daily are recommended for adult dogs with normal activity. Dogs should be maintained in ideal body condition and not allowed to become overweight. The food intake required to maintain ideal body condition will vary, depending on age, activity and environment. Consequently, the amount of food required for each dog will vary and should be adjusted accordingly.

FEEDING TIP
When switching your dog to ALPO Come & Get It! from another dog food, please allow 7 - 10 days for the transition. Each day feed more ALPO Come & Get It! and less of the previous food, until you're feeding ALPO Come & Get It! exclusively. This gradual transition will help avoid dietary upsets.

Provide adequate fresh water in a clean container daily.

For your pet's health, see your veterinarian regularly.
