A450820

**Manufactured by: Nestlé Purina PetCare Company, St. Louis, MO 63164 USA**

Cat Chow Senior Essentials 7+ Immune + Joint Health is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance of adult cats.

**RECOMMENDED DAILY FEEDING AMOUNTS**

Using a standard 8 oz measuring cup

Weight (lbs)	Feeding Amount (cups)
5 - 9	1/3 to 2/3
10 - 14	2/3 to 3/4

These amounts are averages and your cat's needs may differ. Feeding amounts should be adjusted as necessary to help your cat maintain an ideal body condition.

**FEEDING TIP**

Changes in your cat's diet should be made gradually to allow your cat to become accustomed to a new food. Substitute small amounts of the new food for the old food, gradually increasing the amount of the new food while decreasing the old food, over a period of 7 - 10 days. This gradual transition will help avoid dietary upsets.

Provide adequate fresh water in a clean container daily.

For your pet's health, see your veterinarian regularly.
