C450620

Manufactured by: Nestlé Purina PetCare Company, St. Louis, MO 63164 USA

Cat Chow Naturals Grain Free is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for maintenance of adult cats.

RECOMMENDED DAILY FEEDING AMOUNTS

Using a standard 8 oz measuring cup	
Weight (lbs)	Feeding Amount (cups)
5 - 9	1/2 to 3/4
10 - 14	3/4 to 1-1/4

These amounts are averages and your cat's needs may differ. Feeding amounts should be adjusted as necessary to help your cat maintain an ideal body condition.

FEEDING TIP

Changes in your cat's diet should be made gradually to allow your cat to become accustomed to a new food. Substitute small amounts of the new food for the old food, gradually increasing the amount of the new food while decreasing the old food, over a period of 7 - 10 days. This gradual transition will help avoid dietary upsets.

Provide adequate fresh water in a clean container daily.

For your pet's health, see your veterinarian regularly.
