

OVERNIGHT CAMPING GUIDELINES

- Campers at Purina Farms must have a pre-reserved site in one of two designated RV lots – the full-service lot behind the Purina Event Center or the overflow lot near the Main Show Field – at Purina Farms.
 - The sites designated 45-47 in the overflow lot are reserved for events taking place at the Go To Ground Dens unless Purina Farms management authorizes an exception.
- **Unless otherwise noted, campers should not arrive on the property any earlier than noon or 3p.m. on the set up day for an event. Campers must vacate their sites by 9a.m. the day after the show.**
- Upon arrival at Purina Farms, Campers must check-in with the event organizer, RV chair or Show chair to receive a parking tag. If it is outside of regular hours, campers can check-in with Purina Farms security at the front entrance gate to the property or call 636-221-1428 to get a parking tag.
- Each camper will receive a 3 part parking tag good for one camper and 2 accompanying vehicles (note that a tow vehicle would be considered one of the 2 accompanying vehicles). The full-service Purina Event Center lot tags are red and the overflow lot tags are yellow. The large portion of the tag must be visible inside the camper at all times. The 2 tear off cards should be placed in each of the 2 vehicles accompanying the camper, and must also be visible at all times.
 - The event organizer, RV chair, Show chair or security will retain the small part of the parking stub for proof of check-in.
- A camper, along with the 2 vehicles, must fit within the size limits of each designated site, which may mean unhooking. Campers and accompanying vehicles should not block roadways or they will be asked to move. If accompanying vehicles do not fit in the designated site, then they may be parked in the regular North parking lot in front of the building.
- Any campers arriving before their scheduled times may be placed in a holding area on property by security or may be asked to leave and come back when the lots open up. Holding areas include the lower Main Show Field parking lot or the Outdoor Agility Field parking lot.
- Night owls and early risers, please be mindful of your fellow campers by keeping all noise levels low between the quiet hours of 11 p.m. and 6 a.m. Campers coming in after 11p.m. will be directed to a holding lot by security so as not to disrupt other overnight guests.
- Purina Farms security regularly monitors the lots and is available on property 24/7.
- In case of a medical emergency in one of the lots, call Purina Farms security (see important contact numbers) or 911. In the evening or after hours, guests needing medical attention should leave their camper's lights on allowing the response team to easily identify the appropriate vehicle.
- Purina Farms offers additional equipment for campers (hoses, etc..) for purchase if needed. Visit the administrative offices on the second floor the Purina Event Center or the Pro Plan Hospitality Room on the first floor of the Purina Event Center to inquire about purchasing equipment. Also, please notify Purina Farms management if you are having any difficulties with the hook-ups, including electric. Call security if you can't locate Purina Farms management within the Purina Event Center.
- Other general items to note:
 - No parking on grass
 - No tent camping
 - All dogs must remain on leash unless inside a vehicle or competing
 - Motorized vehicles, which includes golf carts, are not allowed except in the case when a medical condition or disability requires the use of one or prior authorization is obtained from Purina Farms management and event organizers.
 - Grilling is permitted in the lots, but guests should let the coals burn out overnight, bag them the next day and put them in a trash barrel.
 - No campfires are allowed on the property.

PURINA FARMS™

Purina Farms reserves the right to ask any camper or accompanying vehicle without appropriate documentation, or those in violation of these guidelines, to leave the property or be subject to towing.

INCLEMENT WEATHER

In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests of an impending weather event via the property-wide public address system and via the storm siren and announcements. Guests will be asked to seek cover in designated areas marked as severe weather shelter areas inside the Purina Farms facilities (those in the outdoor event areas should seek cover in one of the indoor facilities on the property). Areas at the Purina Event Center include the Gateway Hall, restrooms, South stairwell and the Great Hall if necessary. After the weather event ends, Purina Farms management teams will announce all clear.

- If weather is extreme after-hours, then security will unlock the Purina Event Center to allow overnight guests to come into the building with dogs at any time. The service center is also open 24/7 for campers to seek shelter.
- Should the weather look threatening, Purina Farms Security will go around the lots to notify overnight guests to seek shelter. Security will also visit the outdoor event areas around the property to let guests know there is threat.
