

**Camper(s) defined as a motorhome or trailer designed for overnight camping*

OVERNIGHT CAMPING GUIDELINES

- Campers* at Purina Farms must have a pre-reserved site in one of two designated RV lots – the full-service lot behind the Purina Event Center or the overflow lot near the Main Show Field – at Purina Farms. Sites can only be reserved for pull-behind trailers and motorhomes designed for overnight camping. Campers may not be parked in the regular vehicle parking lots.
 - Sites 45-47 in the overflow lot are authorized access only as determined by Purina Farms management.
 - Day parking for campers is available in designated holding lots as assigned by security upon arrival. Lots could include lower Main Show Field parking lot, Outdoor Agility Field parking lot or Herding Field parking lot depending on availability. Any campers arriving before their scheduled times (or those arriving without a reservation) may also be placed in a holding lot by security or may be asked to leave if accommodations are unable to be made. Any campers placed in holding lots must vacate by 11p.m. on the same day of arrival.
- **Unless otherwise noted, campers should not arrive on the property any earlier than noon or 3p.m. on the set up day for an event. Campers must vacate their sites by 6p.m. on the last day of their rental reservation/last day of the show unless they have a pre-reserved, pre-paid spot that allows them to stay the night. In this case, campers must vacate before 9a.m. on the day after the last day of the show.**
- Upon arrival at Purina Farms, campers must check-in with Purina Farms security at the front entrance gate to the property or call 636-221-1428 to receive parking tags and camping information.
- Each camper will receive 3 parking tags good for one camper and 2 accompanying non-commercial vehicles (note that a tow vehicle would be considered one of the 2 accompanying vehicles). Accompanying vehicles may only be parked at the site when the site is occupied by the affiliated camper. The full-service Purina Event Center lot tags are red and the overflow lot tags are yellow. Parking tags must be visible inside the vehicles at all times.
- A camper (only one camper unit per space), along with the 2 non-commercial vehicles, must fit within the size limits of each designated site, which may mean unhooking. Campers and accompanying vehicles should not block roadways or they will be asked to move. If accompanying vehicles do not fit in the designated site, then they may be parked in the regular North parking lot in front of the building. Camper sizes must be accurately reported at the time of the reservation and on the reservation list or risk being moved to a site more accommodating to the actual size of the camper.
- Night owls and early risers, please be mindful of your fellow campers by keeping all noise levels low between the quiet hours of 11 p.m. and 6 a.m. Campers with reservations coming in after 11p.m. will be directed to a holding lot by security so as not to disrupt other overnight guests.
- Purina Farms security regularly monitors the lots and is available on property 24/7.
- In case of a medical emergency in one of the lots, call Purina Farms security (see important contact numbers) or 911. In the evening or after hours, guests needing medical attention should leave their camper's lights on allowing the response team to easily identify the appropriate vehicle.
- Purina Farms offers additional equipment for campers (hoses, etc..) for purchase if needed. Visit the administrative offices on the second floor the Purina Event Center or the Pro Plan Hospitality Room on the first floor of the Purina Event Center to inquire about purchasing equipment. Also, please notify Purina Farms management if you are having any difficulties with the hook-ups, including electric. Call security if you can't locate Purina Farms management within the Purina Event Center.
- A camper MUST be checked on regularly if dogs are left unattended inside and there MUST be a reliable means to monitor the temperature in the vehicle. Purina reserves the right to remove any animals in distress from the vehicle.
- Other general items to note:
 - No parking on grass
 - No tent camping
 - All dogs must remain on leash and supervised unless inside a vehicle or competing
 - No shavings on any grass around the property.
 - Motorized vehicles, which includes golf carts, are not allowed except in the case when a medical condition or disability requires the use of one or prior authorization is obtained from Purina Farms management and event organizers.
 - Propane and charcoal grilling are permitted in the lots. Guests should let the coals burn out overnight, bag them the next day and put them in a trash barrel.
 - **Open fires, including fire pits, are not allowed on the property.**
 - Free WiFi is provided under our "guest network" and no password is required. The expectation is that each camper will abide by acceptable use guidelines in order to continue to have access to this resource.

Purina Farms reserves the right to ask any camper or accompanying vehicle without appropriate documentation, or those in violation of these guidelines, to leave the property or be subject to towing.

PURINA FARMS™

INCLEMENT WEATHER

In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests of an impending weather event via the property-wide public address system and via the storm siren and announcements. Guests will be asked to seek cover in designated areas marked as severe weather shelter areas inside the Purina Farms facilities (those in the outdoor event areas should seek cover in one of the indoor facilities on the property). Areas at the Purina Event Center include the Gateway Hall, restrooms, South stairwell and the Great Hall if necessary. At the Visitor Center, this includes the bathrooms, indoor theater and the hallway near the front information desk. After the weather event ends, Purina Farms management teams will announce all clear.

- If weather is extreme after-hours, then security will unlock the Purina Event Center to allow overnight guests to come into the building with dogs at any time. The service center is also open 24/7 for campers to seek shelter.
- Should the weather look threatening, Purina Farms Security will go around the lots to notify overnight guests to seek shelter. Security will also visit the outdoor event areas around the property to let guests know there is threat.
