Although Purina Farms is currently closed for daily operation until further notice, we are hosting limited events adhering strictly to social distancing guidelines at least through the end of April 2021. Decisions about future events will be made based on health guidance and the safety and well-being of people and pets. Changes to safety measures may be made as the COVID-19 situation changes in the region and new information becomes available.

At Purina Farms, we believe we have a shared responsibility to keep each other safe and healthy. We have introduced a number of precautionary measures to maintain the safety of our guests and their pets, our staff, and the animals that call Purina Farms home. We appreciate everyone’s commitment to promoting appropriate social distancing, good hygiene and wearing face coverings:

- **ADVANCE REGISTRATION REQUIRED:** All events require pre-registration. More information on events and reservations can be found at purinafarms.com.

- **LIMITED EVENTS AND ATTENDANCE:** All events meet our safety and capacity constraints of no more than 50 people inside our facilities and no more than 150 people outside in our event areas*. This is inclusive of staff and guests. Spectators are not allowed. We are also limiting activities that place dogs in close proximity to other dogs and people outside the household.
  
  *Guests may only participate in one event on the property at a time. Capacity constraints may be adjusted based on the COVID-19 situation and available information.

- **HEALTH SCREENINGS REQUIRED:** All guests must participate in a health screening before entry. Screenings include checking the temperatures of all guests and having them answer health questionnaires for themselves and their dogs prior to entry.

- **PROPERTY:** Parking will only be allowed in every other parking spot to allow for social and physical distancing. Guests must remain in designated areas of the property while on-site which are limited to RV lots and parking lots as well as the facilities and fields where the events are taking place.

- **ENTRY/EXIT POINTS:** All guests need to utilize designated entrances and exits to the property and its facilities. Guests will appear on a check-in list provided to security to allow for entry onto the property.

- **PHYSICAL DISTANCE REQUIREMENTS:** Guests must follow appropriate social distancing restrictions of six feet or more from others and avoid physical contact with anyone else including other pets. Floor markings and signage are placed to direct one-way traffic flow and establish (when possible) designated distanced spaces.
GUIDELINES, Cont’d

• **FACE COVERING REQUIRED:** To assure everyone’s safety, and in accordance with CDC guidance, all guests 2 years of age and older will be required to wear a face covering while indoors and outside if they can’t safely social distance from others outside of their immediate family.* Purina Farms will have complimentary face coverings if needed, while supplies last.
  *If for some medical reason you are unable to wear a face covering, we will determine if there is another alternative for you (and others) to safely enjoy Purina Farms.

• **HYGIENE AND HAND WASHING:** Guests should practice proper hygiene by washing hands as frequently as possible with soap and water for at least 20 seconds as well as using hand sanitizer located at stations around the facility and its perimeter. Avoid touching eyes, nose and mouth with unwashed hands and cover your nose and mouth with a tissue or sleeve when coughing or sneezing.

• **ADVANCE CLEANING PROTOCOLS:** Common use items and equipment including drinking fountains and dog watering stations are not available. Restrooms have every other stall and sink blocked and have monitors to regulate capacity and clean in-between use.

• **PETS:** See our Purina Farms updated Visiting Pet Guidelines posted on purinafarms.com

**Food and Beverage**

- Tables are set 6 feet apart to allow for social distancing. Members of the same household and those traveling together may sit together.
- Staff practices “no contact” transfers by placing items down on counter for the next person to pick up.
- Self-serve food and drink options are discontinued at this time.
- All condiments are single use and given to guests upon request.

**Doing Our Part**

All Purina Farms team members will be:
- Health-screened daily, including a temperature check, upon arriving on property for each event
- Wearing appropriate personal protective equipment, including face coverings
- Frequently cleaning and disinfecting hard and high touch surfaces
- Trained on the proper way to utilize face coverings and gloves, proper hygiene, cleaning protocols.
- Social distancing from guests and their pets
Our Handling In Case Of Illness
Anyone feeling ill or having symptoms consistent with COVID-19 – such as fever, cough, chills, muscle pain, headache, sore throat or shortness of breath – should stay home, or if already on property, they must report it immediately to Purina Farms security by calling 314-982-2222. Purina Farms security will gather all pertinent information to allow Purina Farms management to take the appropriate actions, including disinfecting, as quickly as possible. Anyone feeling ill or exhibiting symptoms will immediately be asked to leave the property. An ambulance will be called for severe illness if needed.

Note: By coming on Purina Farms property, guests acknowledge and agree to abide by all posted guidelines, and understand that they are responsible for their personal safety and that of the children and/or pets under their supervision. Guests who refuse to comply with guidelines, even after warnings, will be refused entry (if not already on property) or will be asked to leave (with no refund if applicable) and will not be allowed back for the remainder of the event. These actions are at the sole discretion of Purina Farms.
