## OVERNIGHT CAMPING GUIDELINES

- Campers\* at Purina Farms must have a pre-reserved site in one of two designated RV lots – the Full-Service Lot behind the Purina Event Center or the Electric Only Main Show Field Lot – at Purina Farms. Sites can only be reserved for pull-behind trailers and motorhomes designed for overnight camping. Campers may not be parked in the regular vehicle parking lots.
  - Sites 45-47 in the Electric Only Main Show Field Lot are authorized access only as determined by Purina Farms management.
- **Unless otherwise noted, campers should not arrive on the property any earlier than 3 p.m. on their check-in day for an event. Campers must vacate their sites by 12 p.m. on their check-out day.**
- Any campers arriving before their scheduled times (or those arriving without a reservation) may be placed in a holding lot by security or may be asked to leave if accommodations are unable to be made. Any campers placed in holding lots must vacate by 11 p.m. on the same day of arrival.
- Upon arrival at Purina Farms, campers must check-in with Purina Farms security at the front entrance gate to the property or call (636) 221-1428 to receive parking tags and camping information.
- Each camper will receive 3 parking tags good for one camper and 2 accompanying non-commercial vehicles (note that a tow vehicle would be considered one of the 2 accompanying vehicles). Accompanying vehicles may only be parked at the site when the site is occupied by the affiliated camper. The Full-Service Purina Event Center lot tags are red and the Electric Only Main Show Field Lot tags are yellow. Parking tags must be visible inside the vehicles at all times.
- A camper (only one camper unit per space), along with the 2 non-commercial vehicles, must fit within the size limits of each designated site. Campers and accompanying vehicles should not block roadways or they will be asked to move. If accompanying vehicles do not fit in the designated site, then they may be parked in the regular North parking lot in front of the building. Camper sizes must be accurately reported at the time of the reservation or risk being moved to a site more accommodating to the actual size of the camper.
- Quiet hours are between 11 p.m. and 6 a.m. Campers with reservations coming in after 11 p.m. will be directed to a holding lot by security so as not to disrupt other overnight guests.
- Purina Farms security regularly monitors the lots and is available on property 24/7.
- In case of a medical emergency in one of the lots, call Purina Farms security (see important contact numbers) or 911. A blue light emergency station is available on the South side of the Purina Event Center.
- Guests needing medical attention should leave their camper's lights on allowing the response team to easily identify the appropriate vehicle.
- Please notify a Purina Farms team member if you are having any difficulties with the hook-ups, including electric. Call security if you can't locate Purina Farms management.
- A camper **MUST** be checked on regularly if dogs are left unattended inside and there **MUST** be a reliable means to monitor the temperature in the vehicle. Purina reserves the right to remove any animals in distress from the vehicle.
- Other general items to note:

In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests of an impending weather event via the property-wide public address system. Public service announcements should also come via the storm siren and announcements. Areas at the Purina Event Center include the Gateway Hall, restrooms, South stairwell and the Great Hall if necessary. At the Visitor Center, this includes the bathrooms, indoor theater and the hallway near the front information desk. After the weather event ends, Purina Farms management teams will announce all clear.
